 - OVERNIGHT ACCOMMODATION

The screenshot shows the ADAMS mobile application interface. At the top, there's a navigation bar with 'GO BACK', 'MY WHEREABOUTS', and 'MY ADDRESS BOOK'. Below that, the 'My Whereabouts' section is active, showing a calendar view for April 2014. The calendar displays various activities: 'home' (orange), 'TRAINING' (yellow), 'TRAINING CAMP' (yellow), and 'COMPETITION' (green). A 'New Entry' dialog box is open, showing the 'Category' dropdown menu set to 'Regular activities', which is circled in red. The dialog also includes fields for Address, Date, Recurrence, Start Time, End Time, and a checkbox for '60-Min Time Slot'.

Article 11 of WADA International Standard for Testing (valid until 31 December 2014)

11.1.3 An Athlete in a Registered Testing Pool is required to make a **quarterly Whereabouts Filing** that provides accurate and complete information about the Athlete's whereabouts during the forthcoming quarter, including **identifying where he/she will be living, training and competing during that quarter**, so that he/she can be located for Testing at any time during that quarter: see Clause 11.3. A failure to do so amounts to a Filing Failure and therefore a Whereabouts Failure for purposes of Code Article 2.4.

11.1.4 An Athlete in a Registered Testing Pool is **also required to specify in his/her Whereabouts Filing, for each day in the forthcoming quarter, one specific 60-minute time slot where he/she will be available at a specified location for Testing**: see Clause 11.4. This does not limit in any way the Athlete's obligation to be available for Testing at any time and place. Nor does it limit his/her obligation to provide the information specified in Clause 11.3 as to his/her whereabouts outside of that 60-minute time slot. However, if the Athlete is not available for Testing at such location during the 60-minute time slot specified for that day in his/her Whereabouts Filing, and has not updated his/her Whereabouts Filing prior to that 60-minute time slot to provide an alternative time slot/location for that day, that failure shall amount to a Missed Test and shall therefore constitute a Whereabouts Failure for purposes of Code Article 2.4.

11.1.6 An Athlete in a Registered Testing Pool shall be deemed to have committed an **anti-doping rule violation under Code Article 2.4** if he/she commits a total of three Whereabouts Failures (which may be any combination of Filing Failures and/or Missed Tests adding up to three in total) within any 18 (eighteen) month period, irrespective of which ADO(s) has/have declared the Whereabouts Failures in question.
